

GMSTEC 2010: International Conference for a Sustainable Greater Mekong Subregion

THEMES

Energy & Materials

Policy & Human Development

Environment & Natural Resources

26-27
August 2010
Bangkok, Thailand

In celebrating its 50th Anniversary in 2010, King Mongkut's University of Technology Thonburi will join force with other GMSTEC members to invite you to GMSTEC 2010: International Conference for a Sustainable Greater Mekong Subregion. The conference will provide a forum for researchers, scientists and technologists alike to shape solutions for providing the better standard of living for people in the GMS region. The conference will help streamline future developments geared toward the sustainability of our environment, culture, economy and society while encouraging modernization and industrialization of this prosperous region.

Organized by

Faculty of Science
King Mongkut's University of Technology Thonburi (KMUTT)

Supported by

Greater Mekong Subregion Tertiary Education Consortium Trust (GMSTEC)
